Patrick – I'm forwarding four separate emails from my archives in response to this new FOIA, that's why they all have the Nov.19th date. I've discussed with Leticia and she wants the email traffic around the original requests from 2010. We are just responding to the Sandia FOIA attached. We have no documents responsive to the BP oil spill.

This is #1

Blessed are the flexible, for they
shall not be bent out of shape!

Blessed is the person who can take
the bricks thrown at them and build
a firm foundation!
